25X1

1. The weight allowance includes effects shipped and stored.
2. The Office of Personnel has established that the average Agency employee overseas is a GS-10. The maximum allowance for a GS-10 is 10,000 pounds with family or 6,000 pounds without family.
3. Based on the average rates developed in paragraphs 4 and 5 below, the average employee utilizes his weight allowance in these percentages:
 - a. Agency percentage shipped (10,000 pound maximum, with family) 27.9
 - b. Agency percentage stored (10,000 pound maximum, with family) 27.8
 - c. Agency percentage shipped (6,000 pound maximum, without family) 46.5
 - d. Agency percentage stored (6,000 pound maximum, without family) 46.4
4. Average weight shipped segregated by area division:

	<u>FE</u>	<u>EE</u>	<u>WE</u>	<u>NE</u>	<u>SE</u>	<u>AF</u>
Number of employees who shipped household effects						
Total weight shipped by each division	119,899	256,018	53,535	97,285	44,861	15,838
Average weight shipped per employee (total weight shipped divided by number of employees shipping household effects)	1,934	2,399	4,538	3,040	2,136	2,691
